*Wedding, Birthday or Company Event
in larger or smaller formats ...*

There is always a reason to celebrate!

We are glad that you are considering the Waldhotel Nachtigall as a location for your event.

The "Nachtigall" was built in the 17th century and was part of the prince-bishop's estate. It mainly served agricultural and silvicultural purposes.

Over time the "Nachtigall" has developed into a restaurant and finally into a modern and sophisticated four-star hotel.

We are at hand with help and advice from the very beginning of your planning right up to the end of your celebration. Use our know-how to make your event an unforgettable day!

Our banquet portfolio gives you a first insight into our possibilities.

Get inspired!
